

Mount Gilead Exempted Village Schools

Facility Use Plan

Adopted
September 9, 1998

Revised 8/18/2015

MOUNT GILEAD EXEMPTED VILLAGE SCHOOLS

This Facility Use Plan is to be used for activities or events which are short term or for a duration of four months or less.

Events or activities of a longer term will be reviewed and decided upon separately with the Board of Education on an individual, case-by-case basis.

In cases of urgent necessity or in an emergency, school activities may need to take precedence over outside groups. This may require rescheduling and/or cancellation.

Priorities for Use of Facilities on Availability

Facilities shall be assigned according to the following priority rankings:

Group I School groups participating in co-curricular activities:

Examples: Theater, band, choral groups, interscholastic athletics, clubs related to curricular activities, student government, supervised recreation activities.

There will be no charge if school district personnel are already on duty.

Group II Nonprofit groups whose activities are student-related:

Examples: scouts, 4-H, community youth athletic programs, school support groups, booster groups, PTOs, and state athletic functions.

There will be no charge if school district personnel are already on duty.

Group III Broad interest, nonprofit community groups whose benefits go to charity, local projects, or schools:

Examples: adult community, civic/service, churches, Mount Gilead alumni groups, *recreational adult programs*.

There will be no charge if school district personnel are already on duty, unless required for operation of facility.

Group IV Individual or community groups, with benefits going to the organization or individual:

Examples: *For profit organization, business/industry, non-community business, private or parochial schools*.

Charges will be based upon the Board of Education approved rate.

USE OF SCHOOL FACILITIES

The Board of Education (“Board”) encourages the proper community use of school facilities. It is necessary, however, to ensure that such use does not interfere with the regular school purposes or put a financial strain on the district. Therefore, specific regulations have been established.

The basic purpose of public school facilities is to provide the youth of the community a sound education program. However, the Board may grant use of school facilities upon payment of the prescribed fee, and subject to regulations, permit the use of school facilities for other Board-approved purposes.

Conditions Governing Use of School Facilities

1. Any contract or privilege granted to any person, group, or organization to use any building or property is non-transferable to any other person, group, or organization.
2. The applicant agrees to assume responsibility for all liabilities arising incident to the occupancy of building or grounds use, it being understood and agreed that the school district assumes no obligation regarding the use of such premises. The Board retains the right to require proof of insurance of the applicant.
3. Contracts will be issued for specific areas of a building or grounds. It shall be the responsibility of the applicant to ensure that the remainder of the building is not entered or used.
4. The applicant shall assume responsibility for securing police protection and/or traffic control when in the school district administrators’ opinion such police attendance is necessary, with costs borne by the applicant.
5. The applicant shall be responsible in case of loss of or damage to school property as a result of the reservation. Reimbursement to the school district is mandatory.
6. Alcoholic beverages, unauthorized drugs, profanity, tobacco products, and gambling are prohibited on school property. Smoking is prohibited at all sites within the district. Users of facilities must comply with the state and local fire and safety regulations.
7. The maximum length of any school facility usage agreement will be four (4) months unless arranged between the Board and the other party.
8. Cancellations shall be made through the Administrator in charge of scheduling. In case of cancellation, the applicant will be responsible for any costs to the school district of its personnel prior to the cancellation.
9. A deposit payable to the Mt. Gilead Board of Education covering the facility fee must be required in advance. Payment due in full upon completion of usage agreement to the Treasurer located at the Mount Gilead Board of Education offices. Invoices will be sent and payment is required. Failure to pay promptly could affect future facility use by user.
10. The Mount Gilead Board of Education reserves the right to cancel a scheduled use of the facilities if such use infringes upon the original and appropriate uses of such facilities. School activities shall have priority over all proposed or scheduled community activities.

11. An employee of the Board must be on duty whenever a school building or school stadium is used by an organization, group, or individual.
12. In regard to adult recreational activities, only the group given approval to use the gym may be in attendance. It is the responsibility of the applicant who signed the application to police this rule.
13. Spectators are welcome to attend youth and student activities, and are also welcome to attend interscholastic contests held at Mount Gilead by private or other public school districts. Spectators are expected to remain in the immediate area in which the event is taking place. Foul language and disruptive behavior are unacceptable, and spectators could be subject to removal from school property.
14. Facilities will not be available on days when school is closed due to weather, mechanical breakdown, school vacations or holidays, unless approved by the building administrator. There may be extra custodial charges for this.
15. When a school activity runs late, the in-coming group must wait patiently for its conclusion. Harassment of the activity by persons of the in-coming group may cause cancellation of approval to use the facility.
16. All equipment is to be put back exactly where it was located prior to the activity, and the area used must be left clean.
17. Failure to follow all of these regulations may result in immediate loss of facility use.
18. Shoes with metal heels, toe plates, cleats or any substance that may damage a floor should not be worn or used in any building.
19. The sponsor, applicant chaperone, school custodian, or any other school official is authorized to request anyone to leave school premises, who, by virtue of his/her clothing, physical condition, or actions, is doing damage or is likely to damage or harm a building, its contents, or another person.
20. Buildings will not usually be used for recreation by outside groups on legal holidays.
21. No group will, under any circumstances, tamper with any electrical or heating controls.
22. Use of the varsity gym will be determined by the school administration.
23. School-sponsored student groups must have a teacher, advisor, or approved adult coach present at the activity. Nonschool-sponsored student groups must have a teacher present or an adult approved by the Superintendent or their designee.
24. Final group determination will be made by the Superintendent of Schools and/or the District Athletic Director.
